Brogan on the Residential Real Estate Contract and New York Title Closings

February 1, 2006

Judicial Title Insurance Agency, Harrison, NY is pleased to announce that Peter Brogan has written a guide for the real estate industry, "Brogan on the Residential Real Estate Contract and New York Title Closings" which will be released this week.

The book covers the topics of the Residential Contract and New York Title Closings in an informal manner. It is chock full of practical information and guidelines that can be extremely helpful even to an experienced attorney or real estate professional, and essential for a less experienced one.

Richard Giliotti, President of Judicial Title says: "This book has been a labor of love for Peter Brogan. The release of the first edition makes all of us at Judicial Title very proud."

For further information on obtaining a copy of this useful guide, please contact your sales representative.
