TAKE JUDICIAL NOTICE

NYC RECORDED DOCUMENTS

April 30, 2008

It has always been the practice of the NYC Registers office to return all documents, once recorded, to the "Record & Return" party stated on the document.

Effective June 1, 2008, the City Register has placed this burden upon the title industry. All recorded documents are to be collected by the presenter (title company) within 10 days of its recording or it will be destroyed.

We at Judicial are staffed and prepared to take on this responsibility so that none of the documents that are presented by Judicial will be destroyed.

If you have any questions please feel free to contact our office.
